Our Toledo Listening Session

2:30 to 3:30 p.m.

**WHERE:** The Ability Center  
605 Monroe St.

**WHAT:** Every Fall, Disability Rights Ohio sets new priorities for the work we will do in the coming year. These priorities help us to focus our limited resources on the issues that are most critical to people with disabilities. This session is an opportunity to tell us your ideas in person.

**ASL interpretation will be available.** To request additional accommodations, contact Stacy Brannan-Smith at [sbrannan-smith@disabilityrightsohio.org](mailto:sbrannan-smith@disabilityrightsohio.org).
