

We have the legal right of way.

ABUSE & NEGLECT:

You Have the Right to Be Safe from Abuse!

You Have Rights!

- **You have the right** to know about your body and your sexuality
- **You have the right** to be treated with respect and dignity
- **You have the right** to decide who can touch your body in any way
- **You have the right** to be safe wherever you live and play
- **You have the right** to say “No” if someone is doing something you don’t want - even if the person doing it is someone you like

If You Are Abused:

- **You have the right** to tell someone that you were abused
- **You have the right** to talk to police about your abuse
- **You have the right** to get help and accommodations to tell your story
- **You have the right** to ask for someone trusted (like a therapist or counselor) to talk with you about your abuse

Disability Rights Ohio is here to help you if these rights are violated. If you think someone has disrespected your rights, you can call Disability Rights Ohio. We will help you stop abuse, get help to recover from abuse, and try to get abusers punished.
